

Saint Francis of Assisi Parish

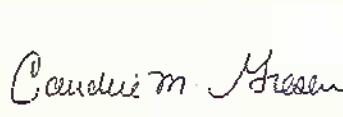

Dear Friend of St. Francis of Assisi,

Our Catholic School has just completed celebrating Catholic Schools Week with the theme "Catholic Schools Celebrate Service". It is an annual celebration of the important role that Catholic Schools are providing for America's young people. St. Francis of Assisi School is proud to emphasize intellectual, spiritual, moral, physical, and social values in our students. It is an education that prepares students for a Christian life. The theme emphasizes the duty and delight of giving back. Catholicism has a long and rich tradition of direct service to those in need.

With that being said, as a parishioner of St. Francis of Assisi your support of our school is greatly needed to ensure the continual offering of a Catholic education. In these times of economic unsettling, many of our school families are struggling to be able to provide a Catholic education that they desire for their children.

Your gift, along with the gifts of other caring parishioners, will have an immediate impact on the lives of our Catholic school families. The contributions will benefit tuition aid for the 2009-2010 school year, a technology fund, and the School Endowment Fund.

Please take some time to think and pray about your giving, then complete and return your card. This is your opportunity to do your part of "service" for our Catholic School, to ensure that every child is allowed the benefit of a Catholic education. May God bless you for your generosity.
